## PARENT TESTIMONIALS

**Papri Banik Saha (Agastya Saha)**

As a parent, you always hope your child finds a school that doesn't just educate but truly nurtures. For me, Billabong High International School became that place. From Class 1 to now Class 10, this school hasn't just been where my son studied, it became his second home.

Over the years, I have watched him grow not only ACADEMICALLY but EMOTIONALLY, SOCIALLY and MORALLY. Every TEACHER who crossed his path contributed something meaningful. Some strengthened his concepts, some encouraged his curiosity, some built his confidence, and many shaped his compassion. Each one played a role in turning a small child into a thoughtful, grounded young individual.

WHAT STANDS OUT MOST is the genuine care. Teachers here don't just teach from books, they notice when a child is quiet, when they need encouragement, when they need guidance. THAT KIND OF ATTENTION CANNOT BE MEASURED IN MARKS, but it shapes character for life.

I am deeply grateful to all his TEACHERS from Class 1 till now, who patiently guided him through every stage. Their dedication, encouragement, and belief in him helped him become not just a good student, but a compassionate human being.

My heartfelt appreciation also goes to the PRINCIPAL, VICE-PRINCIPAL, and the entire MANAGEMENT team. Your leadership has created an environment where children feel safe, valued, and motivated. You have built a school culture that balances DISCIPLINE with WARMTH, ACADEMICS with EMPATHY, and ACHIEVEMENT with HUMILITY.

As parents, we often worry about where our children spend most of their formative years. But with Billabong High International School, I always felt reassured. The school didn't just educate my son, it EMBRACED him. Today, whatever he has achieved and whatever he is becoming, a large part of that credit goes to the school, its TEACHERS, and its LEADERSHIP. I am truly thankful for the care, patience, and values you have given him.

For me, Billabong High International School will always remain more than a school. It will always be his second home.
